

## ***Alaska***

### **Alaska General Comments:**

- The Cold Regions Test Center remains in Alaska while improving efficiency of operations and enhancing personnel safety by moving to Ft Greely.
- Civilian Personnel Operations Centers are consolidated at Ft Huachuca to reduce excess capacity, and achieve manpower savings through elimination of duplicate functions with a personnel reduction of less than 300 people.

### **Ft Richardson**

#### Gains:

- Validated the temporary stationing of an Infantry BCT

#### Losses:

- Installation management functions to Elmendorf Air Force Base
- Civilian Personnel Office
